ACME Consulting

Your Partner to the Future

India's Largest Health Care Quality Advisory Services Group.

Consultants for:

NABH for Hospitals, Clinics, Blood Banks, Imaging Centres, Dental Clinics & Ayurveda Hospitals

ACME assists medium to large Healthcare Organization to successfully strive for this highest Healthcare Quality Standard developed by the Quality Council of India on par with International Accreditations.

NABH Entry Level Standards for Hospitals ('SILVER' Certificate of AB-PM-JAY)

The new Hospital Quality Pre-Accreditation Entry Level Standards from NABH is for smaller hospitals who find full NABH difficult. It is made mandatory today by Insurance Regulator IRDA for Private Insurers and Government Agencies.

NABL Standards for Labs

Labs providing various test services covering Haematology, Clinical Bio-Chemistry, Clinical Pathology, Microbiology, Histopathology, Cytopathology, Genetics, etc can aspire to get accredited under ISO/IEC/15189:2012 Standards.

JCI Accreditation for Hospitals

Assist Large Hospitals, mostly NABH Accredited, for the prestigious Joint Commission International (JCI) Accreditation.

BRONZE Certification under AB-PM-JAY

These standards from QCI assure the very basic Healthcare Services with emphasis on patient safety, hygienic & clean environment. They are minimum requirements needed to get empaneled under AB-PM-JAY Scheme.
